March - Unconquered March

Position..... 2nd

The ensemble isn't as tight as it should be
and the music just lacks a little poise
Bravo Euphs/Bass (A/E) - Take care with
intonation in Trems. (F) is a touch untidy
in places.

Well done + thank you

Rhythms are not quite settled to open.
Excellent Euph and Horn and Cornet.
Good bar sound - (C) Intonation not quite
Secure in Trans (D) The music has drive.
Take care with intonation in back row.
Bravo EEB Bass. Some controlled sounds
in louder dynamics. General rhythm
is good. (329) → Polente is well handled.
Excellent Euph. (M) Intonation suffers.
Bravo Trombone. The music is generally
well shaped and has some fluidity.
Just the odd moment where intonation
suffers. (O) is well handled - as is (R)
(S) Ensemble suffers but (T) is controlled.

Overall - A performance that was marred
by problems in intonation, however
the music was shaped well and all
soloists delivered with confidence.

Well done + Thank you.
